Invitation to the Proposal for “World Molecular Imaging Conference (WMIC) 2010”
Site Search

To: Representatives of Molecular Imaging Researchers in Asian Countries/Regions,

As a Secretary General of the Federation of Asian Societies for Molecular Imaging (FASMI), it is my pleasure to announce that FASMI has been charged to establish the WMIC-2010 Site Selection Committee, at the Program Committee for WMIC-2008, held in Providence dated September 11th, 2007. WMIC is a joint meeting of the Society for Molecular Imaging (SMI), Academy of Molecular Imaging (AMI), European Society for Molecular Imaging (ESMI) and FASMI (<http://www.wmicmeeting.org/>).

Based on this decision, FASMI had held several meetings and established the Site Selection Committee in this October. The Committee consists of active members of FASMI (Korean SMI, Taiwanese SMI and Japanese SMI).

As a Chairman of the Site Selection Committee for WMIC-2010, I would like to announce the opening of “Proposal Submission for WMIC-2010” from active research societies in Asian countries/regions. Details for proposal submission are listed as follows:

1. Proposal should contain the following information

- General information
- Venue
- Dates
- Accommodation
- Travel information
- Estimated cost for venue, social activities, and so on.
- Structure of Local organizing committee
- Personal information of representative(s) responsible for the proposal.

2. Proposal should be electronically submitted to :

Yasuhisa Fujibayashi
Chairman, Site Selection Committee for WMIC-2010
Biomedical Imaging Research Center, University of Fukui
e-mail to : yfuji@u-fukui.ac.jp

2. One proposal can be submitted from one country/region.

3. Deadline of submission : February 28, 2008

4. Evaluation Criteria are as follows:

- 1) Scientific activity in particular country/region
- 2) Scientific leadership as a local representative for WMIC

- 3) Impact of WMIC in particular country/region for the promotion of MI research
- 4) Finance including expenses and revenues
- 5) Congress venue and facility
- 6) Culture, accessibility, transportation, accommodation, fun program, etc.
- 7) Track record of local organization regarding MI research
- 8) Contribution to FASMI

The Site Selection Committee will evaluate the proposals and send questions to the representative(s) of the proposals by March 20th, 2008. The questions should be answered electronically by March 30, 2008.

The Site selection Committee will re-evaluate and send one "Site of Recommendation" to WMIC-2008 Program Committee for final decision.

A handwritten signature in blue ink, which appears to read 'Y. Fujibayashi'. The signature is fluid and cursive, written over a horizontal line.
